

## LEAN MANUFACTURING IN POWDER PROCESSING CONFERENCE 11th March 2010, Bangkok

### Overview

This conference bridges the gap between Lean theory and practical solutions to provide significant benefits for delegates such as:

- Improve manufacturing flexibility
- Drastically reduce inventory
- Increase speed to market
- Make to order - no guesswork from forecast
- Reduce Waste - all aspects of it

### Agenda

#### *Morning*

- 08.30 - Registration and Coffee
- 09.00 - Introduction / Lean Overview
- 10.00 - Parallel Processing
- 10.30 - Technology Highlight  
IBC Blending and Discharge
- 10.45 - Coffee Break
- 11.00 - Lean Packing Solutions
- 11.45 - Lean Mixing
- 12.15 - Inventory Reduction
- 13.00 - Lunch
- 14.00 - Lean Case Studies
- 14.45 - Efficient Formulation
- 15.30 - Coffee Break
- 15.45 - Formulation Case Study
- 16.15 - Ingredient Tracking & MES
- 16.45 - Questions and Answers
- 17.00 - Drinks and Networking
- 19.00 - Dinner
